SECTION 01

Start Here

How to get the most from this workbook

You hold ninety days of momentum in your hands. This workbook is not meant to be read once — it is meant to be *written in*, week after week, until the plan in your head becomes a record on the page.

> **BEFORE YOU BEGIN**
>
> Set aside 30 minutes for the first session and 15 minutes every Sunday after that. Consistency beats intensity.

The rhythm

1. Complete the Vision pages once — this is your compass.
2. Set three 90-day goals using the goal worksheet.
3. Plan one week at a time in the weekly pages.
4. Close each month with the reflection prompts.

What you need

Created with the DynamicPDF Essentials Edition.

YOUR KIT

- [ ] A pen you enjoy writing with
- [ ] A calendar you check daily
- [ ] 30 quiet minutes this week
- [ ] One honest conversation with yourself

> *A goal without a plan is just a wish.*
>
> ANTOINE DE SAINT-EXUPÉRY

Print single-sided on US Letter or A4. Every page is designed to be written on — the lines, boxes and tables are yours.

SECTION 02

Vision & Direction

Know where you are going before you plan the route

Answer these prompts quickly and honestly. First instincts are usually the truest. Write as much as you need — extra pages are at the back of each section.

1. If the next 90 days went perfectly, what would be different?

Describe a normal day, ninety days from now.

2. What are you saying no to in order to say yes to this?

3. Which three words describe how you want to work this quarter?

Created with the DynamicPDF Essentials Edition.

Your compass statement

Combine your answers into one short statement you can pin above your desk.

COMPASS STATEMENT

KEEP IT VISIBLE

Photograph this page and set it as your phone wallpaper for the next 90 days.

SECTION 03

Your 90-Day Plan

Three goals, fully broken down

Pick no more than three goals. For each one, name the milestone that proves progress and the deadline that creates urgency.

90-day goal	First milestone	Second milestone	Deadline	Done

GUARD YOUR FOCUS

Three goals is a ceiling, not a target. If everything is a priority, nothing is.

Milestone review dates

Review	Date	What I expect to see	Verdict
30-day check			
60-day check			
90-day close			

GOAL HYGIENE

- [ ] Each goal is written in one sentence.
- [ ] Each goal has a visible progress measure.
- [ ] Each goal has a date in the calendar, not just on paper.

SECTION 04

Habit Tracker

One month of small promises

List the habits you are building this month. Tick each day you keep the promise — the streak is the reward.

Habit	Mon	Tue	Wed	Thu	Fri	Sat	Sun

NEVER MISS TWICE

Missing one day is an accident; missing twice is the start of a new habit. Keep the streak alive.
